FOREWORD

Luxuries of the past become Necessities of the present. To-day, a directory is a household, and a business necessity. The householders call for it and the business men must have it up-to-date and reliable. Wise arrangements and mechanical examination add to the value of the book. The business man who does not own a directory loses time and money for want of immediate information as to directory facts.

In this, the 59th issue of the Cambridge Directory we have aimed to give our patrons the best that modern enterprise and skill can produce. Our thanks are extended for the patronage received.

Respectfully,

W. A. GREENOUGH & CO.,

SUPERIOR TRAINING

ADVANTAGES OFFERED BY THE "C C C".

As the Pioneer Commercial College of Cambridge, We Have During the Past Five Years Demonstrated To The Cambridge Public The Advantages of Securing A Commercial Training At Home:

1. THE STUDENT SECURES MORE PERSONAL ATTENTION—for we maintain a larger number of teachers in proportion to attendance than any other commercial schools.

2. THE STUDENT STANDS ON HIS OWN MERIT—our courses being arranged on the personal lesson plan, enabling him to progress as rapidly as his ability will permit.

3. "THE TEACHERS MAKE THE SCHOOL"—we have a Faculty of skilled specialists, each thoroughly trained for his work. The President of the school has had 19 years' of successful experience and is a commercial educator of national reputation.

4. WE HAVE THE VERY BEST MODERN EQUIPMENT THAT CAN BE OFFERED.

5. WE HAVE THE BEST LIGHTED, HEATED AND VENTILATED COMMERCIAL COLLEGE ROOMS IN GREATER BOSTON—located on the third floor of the magnificent Savings Bank Building, Central Square

6. WE SELECT OUR STUDENTS WITH CARE—Maintaining a high standard of admission and graduation, we secure High School graduates and other High School students, who are well prepared for the special training we give.

7. OUR MODEL OFFICE WORK for five years has been along original lines, giving the student actual work to do for business men, thus bridging the gap between the school room and the office.

8. OUR ORIGINAL TIME-SAVING METHODS ENABLE US TO GIVE A SUPERIOR TRAINING IN THE SHORTEST POSSIBLE TIME AND AT THE LOWEST COST TO THE STUDENT.

We Therefore Save The Cambridge Student $100 to $150 Over Boston, And Give Him A Superior Training.

Who Will Care for Your Estate?

The Boston Safe Deposit & Trust Co. offers elements of skill and safety in directing estates and trust funds which no individual can possess.

Permanence

The individual trustee or executor may become incapacitated or may die. His successor, appointed by the court, may be a person whom the testator under no circumtances would have chosen.

This company is not incapacitated by sickness or death. Its charter is perpetual.

Judgment

The busines judgment of an individual trustee may not be sound, or may become impaired by advancing age.

The efficiency of this company in caring for estates depends on no one man. All of the executive board act together, giving the trust fund the benefit of their combined knowledge, experience and care.

Accessibility

The individual trustee may be ill or out of town, when he is needed most. This company is at its place of business, ready to serve, every business day in the year.

Security

Individual trustees ordinarily are not required to give surety, and are not officially supervised.

This company gives a bond for twice the value of the personal property of an estate. This bond is secured by the capital, surplus and undivided profits of the company, and by the stockholders' liability—a total guarantee of $4,500,000.

Every security held by this company is officially examined three times a year. Money and securities held in trust are not liable for the debts and obligations of the company.

Compensation

The charges of this company for its services as executor and trustee are no more than those customarily paid by individuals. Such charges are annually confirmed by the Probate Court.

We have a booklet telling more about this safeguarded trusteeship, which we will gladly send on application.

INSTRUCTIONS TO KEY HOLDERS

Alarms are to be given from the box nearest the location of the fire

Do not give an alarm for a fire seen at a distance, unless assistance is called for

To give an alarm open the door, pull the hook to the bottom of the slot once and let go. Each box contains a small bell, which, if heard before you pull indicates that an alarm has been previously given, and by listening at the box you will learn the number of box from which the alarm is given but in no case will you pull the hook while the alarm is striking After giving the alarm remain at the box so as to direct the firemen to the fire. Be sure that you lock the box before leaving it

Citizens are requested to inform themselves where keys to the signal boxes are kept, signs suitably inscribed being placed over each box giving the requisite information

First alarm will be given by striking two or more rounds of box number

Second alarm will be given by striking three blows followed by box number

Third alarm will be given by striking three blows twice on gongs, bells and whistles

General alarm will be given by striking three blows three times on gongs, bells and whistles
